Equipment Leasing A smart choice for small business.

Equipment leasing is a great way to grow your business without significant out-of-pocket expenses and with better value, convenience and control. It's a fast, simple, smart choice full of advantages tailored to small business ownership.

Customized Programs

Our leasing options allow for amounts up to \$2 million to be utilized through flexible programs, which include but are not limited to:

- 60 or 90-day deferment options.
- With the 6 x 99, your first six months of payments are just \$99 to help create profit from equipment.
- By using the Seasonal Skip, you're allowed to skip any three consecutive monthly payments every year throughout the lease.
- And much more!

Benefits of Leasing

There are several benefits of leasing vs. borrowing money to purchase equipment. Here are just a few:

- No personal collateral
- Potential tax advantages
- Preservation of credit lines
- Fixed payments and rates
